

NAM HOANG

PRACTICE MANAGER
IMMIGRATION MANAGER

**Employer Sponsored Migration (482,RSMS,ENS)
General Skilled Migration | Family Migration | Student visas**

Nam is Practice and Immigration Manager at Migration Solutions. Leading a team of capable Migration Agents, he is responsible for the day-to-day business operations which are supported by his professional and approachable manner.

With his impeccable skills in quality assurance of migration application processes, Nam ensures that his team provides accurate advice and prepares applications that conform with legislative requirements to ensure positive outcomes for his clients. Nam's vast knowledge pertaining to various migration areas, primarily Employer Sponsored and General Skilled Migration, sets him apart. He upholds a comprehensive approach in evaluating clients' eligibility, taking into account various aspects of their circumstances.

He also places great importance on building strong relationships with clients, based on trust and respect. Nam and his team always go the extra mile to ensure clients are informed, comfortable and guided through the entire migration process.

Nam enjoys the challenge of the constantly changing migration landscape and is always eager to expand his knowledge and expertise. He is committed to providing the best possible service and advice to our clients, ensuring a smooth and successful migration experience.

Nam rose to his current senior leadership role after the merging of Migration Solutions with DGA Consultants in 2007. With over a decade of experience as a Migration Agent, Nam has the knowledge and expertise to provide outstanding service to clients.

GOOGLE REVIEW ★★★★★

"I would also like to give special shout out to Nam Hoang who was always there in the background with his great advice. He is an encyclopedia of migration and [a] very humble and helpful person. I really appreciate his support and guidance. I am very glad to have trusted our time, money and future with Migration Solutions." Divya
